

SVS HYDRAULICS PVT. LTD.

22 YEARS

OF EXCELLENCE SERVICE
- Shaping vision to systems -

OUR PRODUCT RANGE

- PULTRUSION MACHINES & ANCILLARY EQUIPMENT
- FILAMENT WINDING MACHINES & ANCILLARY EQUIPMENT
- POLYMER INSULATOR MACHINERY
- COMPOSITE REBAR MACHINES
- DMC MIXERS
- SMC MACHINES AND DIES
- HYDRAULIC PRESSES
- HYDRAULIC CYLINDERS & POWER PACKS
- MATERIAL HANDLING EQUIPMENT
- MOBILE HOARDINGS
- CUSTOM BUILT EQUIPMENT
- STRETCH FORMING MACHINE & DIES
- BAILING PRESSES
- RECOVERY VANS

📍 SVCIE, Road No. 10,
Plot No. 17/A, 18/A, Sy. No. 297, 298,
IALA, Quthbullapur Mandal, Jeedimetla,
Medchal-Malkajgiri, Dist.
Telangana State - 500 055, India.

SVS Hydraulics Pvt.Ltd. is a professionally managed organisation established in 2000. SVS Hydraulics Pvt.Ltd. located in Hyderabad, Telengana, India with 13000 sft covered area and 6000 sft open area self equipped with designing, fabrication, machining, assembling and testing facilities. As a technology savvy organisation, SVS Hydraulics Pvt.Ltd. is engaged in R&D activities on a regular basis to understand the customer needs and to meet the international standards. All the products are reliable, efficient, cost effective and user friendly.

SVS Hydraulics Pvt.Ltd. manufactures wide range of products like Hydraulic Power packs, Hydraulic cylinders, Hydraulic presses, Material handling equipment like Scissors lift, Dock levellers, Hydraulic lifts/Stackers and Customised material handling equipments, Bailing presses, Mobile hoardings and Customised special purpose equipments, Stretch forming machine, passenger lifts etc.

SVS Hydraulics Pvt.Ltd. is specialised in developing composite process machinery like pultrusion plants, pultrusion dies, mat slitters, GRP pipe end grinding (Calibration) machines, GRP pipe extractors, Hydro testers, Beam strength test machine, Hydraulic presses, Filament winding machine, Pultrusion rebar/rock bolt machine(pul winding), SMC machine, BMC mixers etc are also offered from the product range.

SVS Hydraulics Pvt.Ltd. continuous efforts for development of composite process machinery to suit customer requirements at affordable pricing keeps SVS Hydraulics Pvt.Ltd. ahead in domestic and international market.

The company's commitment to quality is exemplified by its inclination towards it and is certified by QMS as an ISO 9001-2008 company.

Its dedicated R&D team enables it to constantly be in an evolution stage to bring out more and more innovative products. Right from designing stage to post installation stage, stringent supervision check is carried out at all stages to ensure the final quality.

SVS Hydraulics Pvt.Ltd. works with quality objective of pursuing 100% customer satisfaction and the quality guideline being customer supremacy, business ethics and constant improvement.

We also export our machines to Malaysia, Brazil, Hungary, Russia, Italy, Nigeria, UAE, El - Salvador Etc., and also these have been commissioned and operating well to the most satisfaction of the customer we are expecting repeat orders from them.

PULTRUSION MACHINES & ANCILLARY EQUIPMENT

Pultrusion
JEC Group - France
Category - Process /
Equipment Winner - For
outstanding Innovation
in composites in the year
of 2015.

TAACMA - " Young Turk
of Composites
technology Industry in
the year of 2018.

FILAMENT WINDING MACHINES & ANCILLARY EQUIPMENT

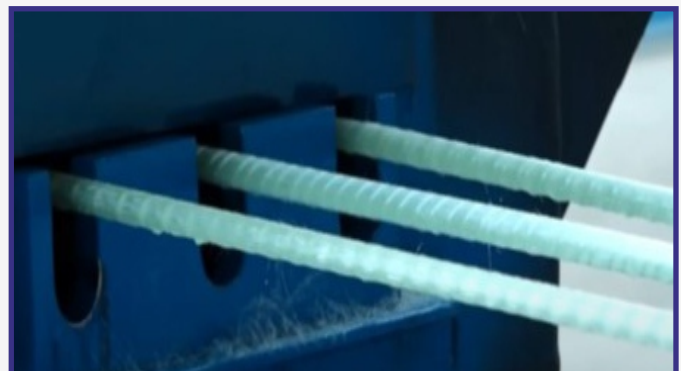

POLYMER INSULATOR MACHINERY

COMPOSITE REBAR MACHINES

Rebar
JEC Group – France Category –
Process / Equipment Winner – For
outstanding Innovation in
composites in the year of 2013.

SMC MACHINES & DIES

DMC & RESIN MIXERS

HYDRAULIC PRESSES

HYDRAULIC CYLINDERS & POWER PACKS

MATERIAL HANDLING EQUIPMENT

MOBILE HOARDINGS

CUSTOM BUILT EQUIPMENT

STREATCH FORMING MACHINES & DIES

Stretch Forming
The Hans India – SME Award –
Certificate of Excellence in Best
innovation of the Year- 2013.

Stretch Forming
COWE – Decade of excellence
award in Engineering Industry in
2004 – 2014.

BAILING PRESSES

TOWING VEHICLE
